## Summary

Experienced in both the producing and creative aspects of the industry, I excel in concepting, directing, production management and video editing.

My excellent interpersonal skills help me to foster client relationships, manage their expectations, and when required, lead large on-set crews.

I have extensive knowledge of the postproduction sector as editor of over 500 TV commercials, having worked on major campaigns for Mastercard, Nestle, Unilever, Universal Music, McDonalds, ANZ, Mitsubishi, and LG.

I have a passion for storytelling having written four family films for Lionsgate, and published four books.
